Case 2018-1093: EASO social media monitoring reports, meeting 11 June 2019, 14:00 - briefing

Dear [REDACTED],

Given limited availability over the coming week, I have prepared this briefing: <https://saas.fabasoft.com/edps/mx/COO.6515.100.2.367524> for our meeting on 11 June 2019.

Suggested LTT:

- 1) They still owe us information, so we're primarily in listening mode.
- 2) They need a legal basis for what they are doing and they need to conduct a DPIA (they ought to have this notified, actually...).

Best,

[REDACTED]
